How to Find Great Real Estate Deals In New York Next Hot Neighborhoods with RONALD M. GOLD

So, you know you want to invest in the real estate market. You know the best way to do this is to buy in neighborhoods on the verge of becoming hot. The only problem - how do you look at a city map and pick the one that is about to turn around?

Highly respected senior appraiser Ronald M. Gold knows. He'll share with you everything you need to know about: * Supply and demand * Mortgage financing * Supporting commercial facilities * Public transportation * Interior and exterior condition * Natural light and available views * Corporate relocation * Real estate taxes and tax planning * New construction * Mixed-use vs. single-use vs. multi-family * Schools, hotels, churches, hospitals * And more!

Ronald M. Gold is an accredited senior appraiser and a member and past president, NY chapter, of the American Society of Appraisers. He is a member of the Real Estate Board of New York.
